Notes

All warranty parts orders must include unit Serial Number and Application Survey.

Prices subject to change without prior notice. Call to confirm price and availability.

A Base assemblies include base, insulator, base o-rings, bondset, label with new S/N, and fasteners.

Modular assemblies for base assembly must be ordered separately if required.

B Shelf life on this product is approximately 6 months.

Customer should replace silicone seal at first sign of failure, or every 18 months, whichever comes first.

C Price is per meter or each fraction of a meter, i.e., 2.5 m = \$10.50 list price.

D SAE No. 4 Flex Conduit is the standard size for these models, however, certain customized units used SAE No. 5 Flex conduit instead.

E For wire harness up to 6.5 meters length. AWG 18 wire; Red/Black.

Please indicate the length x.x of the harness in tenth meter increments

F Bondset service does not include cost of parts used in bondset replacement or authorized repair.

G Does not include M4 screws; customer must choose appropriate length for Polycarbonate thickness

H Diamond-Like Carbon (DLC) coating is scratch and calcification resistant, but not impact resistant.

J Camera, remote, and accessories not included. GoPro and Session are trademarks of GoPro, Inc.
